

Boy, this is a tough case to chew on!

Baker Associates

Committed to Excellence

estate planning | business planning | life insurance policy review | case design | 1035 exchanges | impaired risk

*Health issues? Insurability problems? Dangerous vocations?
Baker Associates says ... bring it on!*

- Broker says ... I've got a client who had prostate cancer. Can he get a standard rate?
Baker says ... We have a company that can issue prostate cancer STANDARD, one year after treatment concludes.
- Broker says ... I've a client who's traveling to Israel. Can he get a standard rate?
Baker says ... We have a company that can issue PREFERRED for people traveling to Israel.
- Broker says ... I've got a client who is an insulin dependent diabetic. Can he get rated STANDARD?
Baker says ... We have a company that does just that!
- Broker says ... My client had a heart attack a year ago. Can he get a standard rate?
Baker says ... You bet! We have a company that can issue heart attack individuals STANDARD.
- Broker says ... I've a client - a non-military private pilot - who flies less than 200 hours per year. Can he get a preferred rate?
Baker says ... We'll fight to get him a PREFERRED rate.

If you have a tough case that needs special underwriting consideration and special handling to get a top rate, send it to us. We're "bulldogs" when it comes to getting the best rates for our agents and brokers!
