

# PICK A TERM. ANY TERM.

## AIG Select-a-Term<sup>SM</sup> Insurance is here.

Your reasons for buying term life insurance are as unique as you are. Maybe you're concerned with the ever-increasing cost of your child's college education in 17 years, or protecting your hard-earned savings for retirement 12 years down the road. Perhaps you only need term life insurance to help cover the remaining 28 years on your 30-year mortgage.

While most standard term products help offer coverage in five-year increments, life doesn't always work that way.

Now you can get a term life insurance product that's flexible enough to meet your needs better than ever before.
