When Is Table 2 Standard?

During The 4th Quarter At American General!

AIG Life Brokerage announces a special 4th quarter Underwriting Upgrade Program.

- ▶ Table 1 or Table 2 ratings issued as **Standard** up to and including issue age 80
- ▶ All Universal Life products issued by American General Life & Old Line Life (COLI & Private Placement excluded)
- ▶ \$1,000,000 to \$10,000,000 face amounts
- ▶ Applications submitted 10/1/02 – 12/31/02 (regardless of when issued)

The upgrade only applies to policies approved at substandard Tables 1 and 2; it will not be available to upgrade an offer of a standard or preferred class or from a tobacco to a nontobacco class. Flat extra ratings are also not impacted – a policy approved at Table 2 plus a flat extra will be issued as Standard plus the flat extra.
